

# Green Cities: Leading the Way

30 - MINUTE DOCUMENTARY • AVAILABLE ON DVD

"Green Cities: Leading The Way" is a 30-minute documentary focusing on the energy reduction initiatives of four Minnesota cities: Barnesville, Elk River, Minneapolis, and New Ulm.

The goal of the documentary is to provide viewers with useful information about energy efficiency and sustainability issues, and to inspire city officials from all across the state to emulate best practices.

"Green Cities" is a co-production of the League of Minnesota Cities and Twin Cities Public Television (TPT). It first aired on Oct. 26, 2008 as part of TPT's "Minnesota Channel" public affairs programming.
