## Minnesota Local Government Salary & Benefit Survey

### Request to Purchase Online Access

The Minnesota Local Government Salary & Benefit Survey includes data from cities and counties across the state (Metro and Greater Minnesota). The purpose of the salary survey program is to facilitate the exchange of information among elected officials and to assist administrative staff in the management of compensation and benefit plans in participating organizations.

In order to obtain a user name and password, an annual fee is charged to non-participating entities. The fees (\$650 for governmental entities or \$1,000 for other organizations) apply regardless of when the request for access is made. *Please note that access codes are effective July 1 – June 30 and will expire at the end of June of each year.* An additional fee will be charged before new access codes will be issued for July 1 and beyond.
